Contract Details	
Title	Salesforce Org mapping, consolidation and reimplementation
Short description	Consolidation of Climate-KIC's two Salesforce orgs. The old org has grown organically over the years and needs consolidation. The new org has a grant management platform.
Proposed type of contract	Framework Agreement with Statements of Work
Type of process	Request for Proposal
Legal entity	Climate-KIC Holding B.V.
Contract duration	12 months plus option to renew for a further 12 months at EIT Climate-KIC's discretion
Brief summary of goods/services to be provided	<p>Work includes workshopping with the 4 most impacted teams to understand their current uses and required functionalities in Salesforce. 3 of these teams are using what we call the 'old org' and 1 is using the 'new org'. These workshops will lead to a proposed target architecture (or technical design).</p> <p>Afterwards, there will be 3 additional phases: 1) consolidation of key functionalities and objects in the 'old org' (i.e. Accounts, Contacts, Opportunities); 2) consolidation of other functionalities in the 'old org' (digital experiences, automations, etc.); 3) migration and merging of the two orgs.</p>
